

22 Ironwood Street Crestmead QLD

3  1 

You're looking at a classic, modest low set 3 bed 1 bath home. It comes with ceiling fans, built in robes, and a two-way en suite style bathroom with a separate bath and shower. The kitchen is original, but excellently maintained and there's a dedicated laundry, undercover entertaining area, and a fully fenced yard with side access and powered shed - all the essentials are here!

Location wise too, it's a real winner. Situated on a quiet street a mere 450m from Crestmead Central local shops including medical, convenience, and takeaway stores, and an easy 350m from the local bus stop, the positioning is simply ideal. There's a plethora of schools in the immediate vicinity including the esteemed St Francis College.
